

TOWN OF DAGGETT BROOK BUSINESS SUBSIDY POLICY AND JOBZ BUSINESS SUBSIDY POLICY

JULY 21, 2004

INTRODUCTION AND DEFINITIONS

This Business Subsidy Policy (the "Policy") is adopted for purposes of Minnesota Statutes, Sections 116J.993 through 116J.995 and as may be amended, (the "Business Subsidy Act") and Minnesota Statutes, Sections 469.310 through 469.320 and as may be amended (the "Job Opportunities Building Zone Act" or "JOBZ Act," and with the Business Subsidy Act, the "Acts"). Terms used in this Policy are intended to have the same meanings as if used in the Acts, and any amendments or modifications to the Acts shall amend or modify the definitions and terms of this Policy without any further action of the Town. This Policy shall apply only with respect to subsidies granted under the Acts if and to the extent required thereby.

Every potential business subsidy project within the Town of Daggett Brook (the "Town") will be evaluated according to this Policy and the criteria set forth herein. Meeting all or a majority of the criteria, however, does not mean that a business subsidy will be awarded or denied by the Town. The Town maintains its ability to approve or reject a business subsidy at its discretion, based on the merits of the project and the overall benefit to the community, using the criteria as a means of measuring overall benefit.

Business Subsidy Generally. A Business Subsidy, as further defined herein and in the Business Subsidy Act shall include, but not be limited to one of the following types of subsidies provided by the Town:

- 5. Guarantee of payment,
- 6. Contribution of property or infrastructure,
- 7. Preferential use of governmental facilities,

- C Further Definitions.** The following defined terms apply equally to business subsidies generally and to JOBZ business subsidies. Any terms not defined herein shall have the meanings set forth in the Acts. In such cases, the Business Subsidy Recipient must meet at least one of the following minimum requirements:

The Business Subsidy accomplishes the removal, rehabilitation or redevelopment of, or prevention of development or spread of, a blighted area as defined by Minnesota Statutes, Section 469.002, Subdivision 11, or constitutes a cost of correcting conditions that permits designation of a redevelopment district or renewal and renovation district under Minnesota Statutes, Section 469.174 to 469.179; or

- 2 The Business Subsidy improves public infrastructure or public facilities, including without limitation streets, sewers, storm sewers, streets, parks, recreational facilities, and other Town facilities; or
- 3 The Business Subsidy removes physical impediments to development of land, including without limitation poor soils, bedrock conditions, steep slopes, or similar geotechnical problems.

The above requirements must be expressed as specific, measurable and tangible goals in each Business Subsidy Agreement. The job and wage goals that would otherwise be required may be set at zero. In addition, in the case of a JOBZ Business Subsidy, the requirements of a Relocation Agreement must be met.

- E. Additional Policies.** All businesses receiving a general Business Subsidy or a JOBZ Business Subsidy shall also comply with the following:

Public Hearing. When the value of a Business Subsidy exceeds \$100,000, a properly noticed public hearing shall be held pursuant to the Business Subsidy Act, at which the amount of subsidy provided, the public purpose(s), and the specific, measurable, and tangible goals to be achieved shall be made known.

- 2 Length of Operation.** All Business Subsidy Recipients must agree to continue operation within the Town for at least 6 years after the benefit date as described in the Business Subsidy Act. After a public hearing, the Town may authorize the Business Subsidy Recipient to move outside the Town within the first five years of operation.
- 3 JOBZ Length of Operation.** JOBZ Business Subsidy Recipients must further agree to continue to operations in the Subzone for the duration of the JOBZ term determined for the Subzone pursuant to the JOBZ Act.
- 4 JOBZ Relocation Requirement.** A JOBZ Business Subsidy Recipient does not qualify as a Relocating Business unless the business is qualified to enter and enters into a Relocation Agreement according to the JOBZ Act.
- 5 Pay Back Provisions and Extensions.** Any general or JOBZ Business Subsidy Recipient must pay back assistance received if the job and wage goals or other specified goals are not met within two (2) years of the Benefit Date or such time as permitted by the Acts as they may be amended. For all general and JOBZ Business Subsidies, assistance provided by the Town must be paid back, with interest as determined in the Business Subsidy Act, to the Town, or at the Town's request, to the account created under the Business Subsidy Act. Any repayment may be prorated by the Town to reflect partial fulfillment of goals. The Town may, after a public hearing, extend the period for meeting job and wage goals for up to one year and may pursuant to the procedure in the Acts, extend the period for meeting other goals for any period specified by the Town. For JOBZ Business Subsidies, state tax exemptions must be paid back to the State of Minnesota and property tax exemptions paid back to the Subzone County, all pursuant to the JOBZ Act. The Commissioner of DEED may waive, without a hearing, the necessity of such state and county repayment if in consultation with Town officials the Commissioner determines that requiring repayment is not in the best interest of the state or Town and the business ceased operating as a result of circumstances described in the JOBZ Act.
- 6 Modification.** The Town reserves the right to modify this Policy from time to time in accordance with the Acts.
